Dear Parents/Guardians,

Welcome to the 2017-2018 school year. My name is Mr. Gonzalez. I teach Grade 7 Mathematics, Grade 7 Mathematics Advanced and Grade 6 Mathematics.

The objective of the class is to prepare and enlighten students in the field of mathematics studies. It will bring an enviroment where students will feel comfortable to ask and answer questions, building the foundation necessary for upper math classes.

Students will learn about Ratio and Proportions Relationship, Geometry, Number System, and Statistics and Probability.

The syllabus contains valuable information that will make this school year a successful one for the student with the parent/ guardian support at home. Please take the time to go through it. You may also find the syllabus and other valuable course information in the teacher's website http://rgonzalezacsm.weebly.com/ .

Tutoring will be available starting September 16 for students needing extra help. Please look for upcoming information.

Please feel free to contact me throughout the school year with questions or concerns you may have at or rgonzalezacsm@gmail.com. I look forward to an exciting and successful school year.

Text Book

We will be using Florida Math course 2, in the classroom and other online resources for practice and home learning. Students will have online access for home learning.

Home Learning

Home learning is only posted on my website http://rgonzalezacsm.weebly.com/. All home learning assignments are to be submitted at the beginning of class on the assigned due date. No late work will be accepted.

Absences

All students absent from class (unexcused or excused) are responsible for getting any missed assignments or notes.

Unexcused Absence

In the event of an unexcused absence, any missed assignments or exams will receive a "Z" as the academic grade.

Excused Absence

In the event of an excused absence, a student has 3 days to make-up any missed assignments or exams. After three days, the assignment or exam will remain as a "Z".

Remind App

All students are required to download and sign up on the app Remind. This app is free and is utilized for important information. The class code will be provided on the first day of class. Parents are highly encouraged to sign up as well.

Academic Honesty

You are expected to maintain the highest standards of academic conduct. When you cheat, you are robbing yourself of knowledge, the learning experience and my company. I will be holding you to high ethical standards to which you will be expected to maintain at all times.

You are guilty of cheating whenever you present work as your own and you did not do. You are also guilty of cheating if you help someone else to cheat. Any student(s) who is discovered cheating will receive a "0" for that assignment and have the work documented in their portfolio. A referral may be issued based on the assignment.

Grading Scale

A = 100 – 90   (Outstanding progress)

B = 89 – 80   (Above average progress)

C = 79 – 70   (Average progress)

D = 69 – 60   (Lowest acceptable progress)

F = 59 – 0   (Failure)

Z = Did not complete the assignment

I truly look forward to working with you and your son/daughter this school year. I am very passionate about what I do, and I hope that this enthusiasm motivates my students. Please feel free to contact me at any time if you have questions or concerns. Your child also knows that he/she can meet with me before or after school if he/she has any questions that need to be addressed outside of class.

For my own records, I would greatly appreciate it if you would provide the following information so that I may be able to contact you and share any pertinent information regarding the class or your child. Thank you very much for your time!

Sincerely,

Mr. Gonzalez
